# RULES AND REGULATIONS

## GUIDE

### DO'S

- Ensure your poster is aligned with the given theme.
- Be original and creative. Use innovative designs and ideas.
- Keep your poster neat and well-organized.
- Ensure that any text on the poster is clear and readable.
- Complete the poster within the given time limit.
- Utilize the A3 sheet effectively without overcrowding or leaving too much empty space.
- Incorporate eco-friendly messages or materials if possible, given the competition is hosted by the Environment Club.
- Students must bring their own colors (sketch pens, paints, crayons, etc.) for the competition.

### DONT'S

- Don't copy ideas from others or the internet.
- Ensure your poster does not contain any inappropriate, harmful, or offensive content.
- Don't wait until the last moment to finish the poster, as it may affect its quality.
- Maintain the A3 sheet in good condition; folded or torn sheets may result in disqualification.

### DISQUALIFICATION

- Posters that do not adhere to the given theme will be disqualified.
- Use of inappropriate, offensive, or harmful images or messages will result in immediate disqualification.
- Posters submitted on any sheet other than the A3 size provided by the Environment Club will be disqualified.
- Posters not completed within the allotted time frame will be disqualified.
- Copying ideas or designs from others will result in disqualification.
- Receiving help from others during the competition may lead to disqualification.

#### NOTE

The Environment Club will provide A3 size sheets. Students are required to bring their own coloring materials.

*All The Best !!!*
