

## ABOUT THE UNIVERSITY

Sharda University is a leading Educational institution based out of Greater Noida, Delhi NCR. A venture of the renowned Sharda Group of Institutions (SGI), The University has established itself as a high quality education provider with prime focus on holistic learning and imbining competitive abilities in students.

## ABOUT SCHOOL

The Sharda School of Humanities and Social Sciences (SSHSS) plays a crucial role in providing students with an ambience that is helpful in developing an understanding of modern social issues through science, technology and management with an interdisciplinary approach. SHSS has a unique and unique role of providing a creative educational programmer that focuses on overall understanding of complexities of life with an emphasis on Indian cultural values and ethics.

The academic programs are specially designed in accordance with the best global practices. We combine the best practices of teaching and classroom learning and complements them with practical training and experiential learning. The school is equipped with modern facilities for the students and supported by a state-of-the-art library having large collections of books, journals, audio-visual aids and other learning materials.

## KEY HIGHLIGHTS

SSHSS adopts the interdisciplinary and integrative pedagogical approach to systematically impart training for diverse languages, literature, histories and cultures. SHSS at Sharda University takes the global learning environment to a new level with cultural, creative and academic activities.

The school is equipped with a language lab with access to Pearson Global English Software; Wi- Fi enabled spacious classrooms with projectors and other audio-visual aids. SHSS has emerged as the epicenter of cultural, creative and academic activity at Sharda University with students from all over the world creating a multi-cultural environment and a vibrant global network of students.

Department of Humanities and Social Sciences

The Department of Humanities and Social Sciences offers various courses that encourage the spirit of enquiry and critical analysis of new categories of thought that connects individual experience to the wider social life.

Committed to the pursuit of excellence in higher education, the department offers degrees at Bachelor, Masters and PhD levels in English Literature, Political Science, History, Psychology and Sociology. The department also offers various short term courses in language proficiency. It offers special "bridge" courses and Communicative English Programs to students seeking to improve their language skills. The Remedial English course we offer to university students is always in demand and is found useful by a wide range of students from various disciplines.
