Paediatric Lab, SSNSR Building**

## ABOUT THE UNIVERSITY

Sharda University envisions to serve the society by being a global University of higher learning in pursuit of academic excellence, innovation and nurturing entrepreneurship. It has 14,000+ students from 95+ countries, 29 states, and Union Territories, providing cultural diversity and global exposure to students. It has 26000+ alumni who are today leaders in their realms. Sharda University is NAAC A+ University with Overall NIRF Rank of 86. Teaching Learning Center at Sharda University is to equip the faculty members with the expertise, skills and knowledge they need for capacity building of students. Teaching as a profession requires highly specialized skills and knowledge to impact significantly on student learning and therefore teachers must refine their conceptual and pedagogical skills.

The School of Nursing Science and Research was established in 2008 to train young students as dedicated professional nurses, capable of contributing effectively towards the growing health demands of the health sector. The college has a state of art, supportive learning environment with good clinical and library facilities, which attracts National and International students. Regular co-curricular and extracurricular activities are planned meticulously and organized by group of highly motivated faculty. Students have access to medical facilities within the campus as university has a world class 900+ bedded NABH accredited multispecialty hospital with all modern medical facilities. Sharda is currently established a 550 bedded hospital in Nigeria equipped with the all-modern facilities and sophisticated equipment to provide comprehensive health care to all sectors of the society, and established university in Uzbekistan.

## ABOUT THE EVENT

The term "maternal health" refers to the state of health that women are in while they are pregnant, giving birth, or after giving birth. Not only does it have an impact on the health and survival of mothers, but it also has an impact on the health and survival of their children and the community. It is an essential component of public health. Assuring that mothers are in the best possible health offers a multitude of advantages, including the reduction of rates of maternal and newborn mortality as well as the promotion of healthier families and society. Unfortunately, problems with maternal health continue to exist in many regions of the world, particularly in settings with limited resources. As a result, this situation has become a primary area of concentration for health organizations all over the world. The event titled **"Management of Obstetrical and Gynaecological Conditions in Hospital and Community"** is a specialized medical practice designed for healthcare professionals involved in the care of women throughout different stages of life, particularly in the fields of obstetrics and gynecology. This event aims to address contemporary challenges, evidence-based practices, and the integration of hospital and community-based care to enhance maternal and women's health outcomes. It provides an opportunity for attendees to engage in discussions about the latest advancements, treatments, and strategies for managing obstetrical and gynecological conditions. Below is a detailed breakdown of the event.

## OBJECTIVES

### **By the end of the event, participants will:**

- Gain a deeper understanding of the latest advancements and best practices in maternal care across diverse settings.
- Develop strategies to provide culturally competent and individualized maternal care.
- Understand the role of interdisciplinary teams in improving maternal and neonatal outcomes.
- Learn how to manage high-risk pregnancies and postpartum complications in both hospital and low-resource community settings.
- Be able to implement community-based interventions to promote maternal health, particularly in underserved populations.

---

## CHIEF PATRONS

---

**Shri. P. K. Gupta**  
Hon. Chancellor, Sharda University

**Shri. Y.K. Gupta**  
Hon. Pro-Chancellor, Sharda University

---

## PATRON

---

**Prof. (Dr.) Sibaram Khara**  
Vice-Chancellor, Sharda University

---

## CONVENER

---

**Prof. R SreeRaja Kumar**  
Associate Dean, Sharda School of  
Nursing Science and Research

---

## ORGANIZING SECRETARY

---

**Ms. Rekha Kumari**  
Assoc. Prof cum HoD  
OBG-Nursing Department, SSNSR

---

## ORGANIZERS

---

**Ms. Lamnunnem Haokip**

Senior Lecturer, OBG – Nursing Department, SSNSR

**Ms. Sonia Lawai**

Senior Lecturer, OBG – Nursing Department, SSNSR

---

## TRAINERS OF THE WORKSHOP

---

**Ms. Rekha Kumari**

Assoc. Prof cum HoD, OBG-Nursing Dept, SSNSR

**Ms. Mythili**

Associate Professor cum HOD, CHN Dept, SSNSR

**Ms. Sapam Debika**

Associate professor, OBG Dept, SSNSR

**Ms. Neha Barari**

Assistant Professor, OBG Dept, SSNSR

**Ritu Makhija**

Assistant Professor, OBG Dept, SSNSR

**Ms. Ring**

Assistant Professor, OBG Dept, SSNSR

## TRAINERS OF THE WORKSHOP

**Ms. Tamanna**

Assistant Professor, CHN Department, SSNSR

**Ms. Anjela**

Assistant Professor, OBG - Department, SSNSR

**Ms. Tamanna**

Assistant Professor, CHN Department, SSNSR

**Ms. Sandhya**

Assistant Professor, OBG - Department, SSNSR

**Ms. Lamnunnem Haokip**

Senior Tutor/Lecturer, OBG Department, SSNSR

**Ms. Soumya**

Senior Tutor/Lecturer, CNH Department, SSNSR

**Ms. Sonia Lawai**
