"The mediocre teacher tells. The good teacher explains. The superior teacher demonstrates. The great teacher inspires". (William Arthur Ward)

"Teaching is a very noble profession that shapes the character, caliber, and future of an individual. If the people remember me as a good teacher, that will be the biggest honour for me."
(President Dr.A.P.J. Abdul Kalam)

Introduction

Welcome to 'Mulya Pravah 2.0: Shaping Leaders with Conviction,' a 7-day **online** international Faculty Development Program (FDP) focused on empowering educators to become inspiring leaders. Mulya Pravah 2.0 is a mandatory curriculum for Human Values and Professional Ethics designed by the UGC for all Indian Universities.

Each student trusts teachers not only to impart subject knowledge but also to guide them towards success in life. Teaching extends beyond the mere transfer of information; it involves nurturing gratitude, respect, and strong values in students. This helps them grow into capable individuals ready to face any challenge. For teachers, this responsibility goes beyond a job—it's about shaping future generations with both professional skills and strong values. Mulya Pravah 2.0 aims to fulfill this mission, emphasizing educational excellence and ethical leadership.

This FDP is based on UGC recommendation for faculty from all Indian Universities, highlighting the importance of continuous professional development as well as holistic development of the students.
