ABOUT THE CME

Dear Delegates,

Parkinson's Day (PD) is celebrated annually on every 11th April intending on the recognition of economic, social and cultural impact on patient and society. The objectives are:-

1. To raise awareness about Parkinson's disease patients, and various roles of health care professionals.
2. To take actions needed to ensure people with Parkinson's get the quality of life they deserve.
3. To disseminate knowledge and promote research to positively affect patient care.

We are looking forward to your benign presence at this event.
