## ABOUT THE UNIVERSITY

Sharda university has over the years become one of the leading centre of the education, research and innovation in Delhi NCR region established through an act of state legislature of Uttar Pradesh (14 Of 2009), Sharda University offers over 130+ UGC recognized Programmes/ Plans in various disciplines. It is a part of the renowned Sharda group with operations in area like education, health care and IT.

Being the only global university in India that has seen students from 95+ Countries experienced world class faculties and having 270+ global academic partnerships, Sharda University offers a truly international learning environment. That's why it says "The World is here, where are you?"

The Sharda School of Nursing Science and Research was established in 2008 to train young students as dedicated professional nurses, capable of contribution effectively towards the growing health demands of the health sector. The college has a state of art, supportive learning environment with good clinical and library facilities, which attracts National and International students. Regular co-curricular and extracurricular activities are planned meticulously and organized by group of highly motivated faculty. Students have access to medical facilities within the campus as university has a world class 1200+ bedded NABH accredited multispecialty hospital with all modern medical facilities.

## ABOUT THE EVENT

The **Sharda School of Nursing Science and Research with Training and Placement department** is organizing a soft skill training programme for final year nursing students to strengthen the skills to be hired for reputed healthcare industry and develop the culture of multidisciplinary approach which helps the individual student to excel at the work space as well as in their personal lives.
