ABOUT THE CME

Dear Delegates,

It gives us immense pleasure to announce the **CME and Cadaveric Hands-on Workshop Primary Hip Arthroplasty**, jointly organized by the **Department of Orthopaedics and Department of Anatomy**, Sharda School of Medical Sciences & Research (SSMS&R), Sharda University, under the aegis of the Delhi Orthopaedic Association and Greater Noida Orthopaedic Association on 5th April 2026.

This program is designed to provide a comprehensive learning experience combining academic sessions with practical cadaveric training. The cadaveric hands-on session will allow participants to practice step-by-step primary hip arthroplasty techniques in a realistic anatomical setting, under the guidance of experienced arthroplasty surgeons. An excellent opportunity to enhance surgical skills, build confidence in hip replacement procedures, and interact with experts in the field.

- Target Audience: Orthopaedic Residents & Early-Career Surgeons
- Format: CME Lectures + Cadaveric Hands-On Training
- Limited seats to ensure optimal hands-on experience
