

ADVANCED SUMMER TRAINING PROGRAM 2026

45-Day Intensive Hands-on Training in Analytical Instrument

 1st June - 15th July 2026

 9:00 am - 4:30 pm

Sharda University is organizing an Intensive 45-Day Summer Training Program designed to provide students and researchers with hands-on experience in modern Sophicated Instruments.

This program aims to bridge the gap between theoretical knowledge and practical research skills through guided laboratory training and expert supervision.

Training Modules

Hands-on training on advanced analytical instruments, including:

- UV-Visible Spectrophotometer
- Atomic Absorption Spectroscopy (AAS)
- X-Ray Diffraction (XRD)
- High-Performance Liquid Chromatography (HPLC)

Remark:

- Participants will learn sample preparation, instrument operation, data acquisition, and interpretation of analytical results.
