ABOUT THE UNIVERSITY

Sharda University is a leading NAAC A+ educational institution based out of Greater Noida, Delhi NCR. A venture of the well-known Sharda Group of Institutions (SGI), The University has established itself as a high-quality education provider with major focus on holistic learning and imbining competitive abilities in students.

ABOUT SCHOOL

Sharda School of Design, Architecture & Planning (SSDAP) prepares the students for the real world they can make a lasting impact in designing the future and have an exciting and rewarding career. The students at SSDAP have crafted the world as renowned landscape architects, urban planners, urban designers, and history preservationists.

The school's nationally accredited degree programs, world-class faculty, and state-of-the-art facilities connect to provide the students with a broad range of opportunities in both the public and private sectors of the industry. SSDAP leads the students through both practical and theoretical learning until they can master in an innovative design that reflects art and science.

The school has forged numerous connections and partnerships with schools and professionals in countries around the world. The faculty comprises academicians from internationally renowned universities such as the School of Planning & Architecture, B.I.T Mesra, National Institute of Fashion Technology (NIFT), Sheffield University, Nottingham Trent University and Delhi College of Art, University of Delhi as well as leading Architectural practitioners and Planning professionals from all over the country.

ABOUT DEPARTMENT

Department of Art & Design established in 2012 at Sharda University, as a multi-disciplinary department has been working tirelessly towards creating global design citizens. Holding their hands, driving them towards innovation through future aligned design thinking & design process, with continuous industry interactions through experiential project-based learning. Its aim is to establish Sharda as a premier center of Design education, where Students are surrounded by an environment of design intuitively based on strenuous research with an aim of developing a new generation of designers, who not only fill the gap of creative entrepreneurs but integrate social and environmental concern to become responsible designers with a mission of

- **Industry-based learning** within the classroom projects as the core of practical teaching, which will include continuous interaction with industries and industry experts to train students as confident Professionals for the future who are initiators & leaders.
- **Related Study Program (RSP)** as research projects based on complete business model by studying, analyzing crafts, connecting business with social impacts while exploring to the maximum and putting them on the forefront of the competitive design industry. Create craft-based design patents from RSPs as well as convert craft documentation into Publications & sources of innovation, combining craftsmanship with technology.
- **Sharda Design Center (SDC)**, used as a vehicle to connect industry with students, business with fresh minds and an instrument to establish Sharda as a multi-disciplinary design interaction center.

Vision of Department

- To be at the Centre of Excellence in Art & Design Education to shape future-ready professionals catering the needs of the design industry and the society

Mission of Department

- To create a global center of innovation and excellence in art and design industry.
- Promoting in-depth research in art and design studies for sustainable practices.
- To inculcate critical, analytical, cognitive, speculative and creative problem-solving skills.
- To develop a sense of social and professional ethics and values.
- To develop the essence of craftsmanship, future technological and vocational skills.

FACULTY PROFILE

Neha Manocha
Soft Skills Faculty (Sharda Skills)

Neha's strength lies in her ability to relate with the audience and create an environment for their active participation which enhances the learning process. She believes that the right perspective helps individuals to look at life in a way that is encouraging and positive. Neha takes pride in her story telling abilities and has designed programmes using story telling as a pedagogical tool to deliver trainings, and has also designed special programmes to learn the Art of Story Telling. She has successfully trained university students and working professionals on and through the art of story telling at Sharda University, IAE Global, Vrinda Nano Technologies, Bajaj Capital, to name a few. She has delivered workshops for multiple clients like IFCI, IFCI Factors, IFCI Infrastructure Development, ONGC, CADD Institute, Worldkids Foundation, etc. Neha holds a Masters degree in business administration. She has worked with organisations like Vibgyor Brand Services, the Institute of Leadership Development, a subsidiary of IFCI and I Train Consultants, in various spheres such as business development, marketing, branding, counselling, corporate communication and training & Development. This allows her to bring a wide variety of perspectives during her workshops.
