

SHARDA
UNIVERSITY
Beyond Boundaries

Dr. Jyotindra Narayan (IIT Guwahati alumni) (IIT Patna) – Global name in robotics & AI—120+ publications and award-winning healthcare innovations.

Dr. Shatrughan Prasad Jaiswal (IIT Guwahati alumni) (NIT Durgapur) – Drone & aerodynamics expert —pushing the limits of UAS, CFD, and fluid-structure design.

Dr. Anshul Garg (IIT Guwahati) – Innovator in smart materials, robotics, drones & underwater vehicles—driving research and tech leadership.

Soumitra Dey – Mentor of Change | 25+ yrs in Automobile Giants | CEO, DreamX STEM | Innovator in Robotics & Aerial Tech

DART

Drones And Robotics Training

PRIZES WORTH
₹10,000

Offline Hands-On Workshop on Drones & Robotics

Get ready to explore the future of technology with a practical, interactive, and beginner-friendly workshop designed to give you real-world exposure to drones and robotics.

◆ What You'll Learn

-  Flight Dynamics & Motion Control
-  Take-Home Robotics Kit
-  Hands-on Programming with Sensors & Actuators
-  Dedicated Hands-On Training in ROS (Robot Operating System)
-  Test Flight Demonstration
-  Configurations using ArduPilot
-  Introduction to Microcontrollers & Single-Board Computers
-  AI in Robotics

Registration for the workshop with a nominal fee is applicable for the take-home kit.

Workshop would be held between 19th - 22nd September 2025.
