Names of the Event	EDUCATIONAL VISIT TO OLD AGE HOME											
About the Event (Brief description)	Sharda, School of Nursing Science & Research (SSNSR), Sharda University is organizing a field visit to Ramlal Old Age Home, Greater Noida, Uttar Pradesh on 17th November 2025, from 10:00 a.m. to 2:00 p.m. as part of their academic curriculum. The visit aimed to enhance the students' understanding of geriatric care and to sensitize them to the physical, psychological, and social needs of the elderly population. During the visit, students will interact with the residents, listens to their life experiences, and participates in various interactive and recreational activities. The program provided valuable exposure to real-life situations of aging, helping students bridge the gap between theoretical knowledge and practical application. The experience also emphasizes on the importance of empathy, patience, and holistic care in nursing practice. Overall, this field visit will proves to be an enriching experience, contributing significantly to the students' professional development in the areas of community and geriatric nursing, while also fostering compassion, understanding, and social responsibility.											
Objective of the Event	 The objectives of the Event are: To enhance students' understanding of the health and psychosocial aspects of aging. To develop empathy, sensitivity, and respect toward the elderly population. To provide practical exposure to the care and management of geriatric individuals. To promote awareness about the importance of holistic and compassionate nursing care.
